Booking Conditions

Times and locations may vary, therefore all bookings not made locally should be re-confirmed with our office 24 hours prior to departure. Spaces are limited. The owner reserves the right to substitute the vessel, alter locations or cancel cruises without notice at any time and for any reason related to the safety of the vessel or the passengers. All cruises are subject to weather and therefore cancellations, changes to cruise itinerary or duration due to weather, illness or to ensure passenger safety, will not be refunded. Risk: Jelly Fish and Marine Stingers inhabit these waters and guests should take care of their own safety. Guests entering the water do so at their own risk. To minimize the risk we recommend that you wear a full length protective stinger suit while swimming or snorkelling during the cruise. These are provided for hire aboard the vessel. Whilst we make every effort to safeguard our clients, we cannot be held responsible for any property loss or damage and/or any claim resulting from personal injury or death arising whilst travelling with the company, participating in activities, on or off the vessel or other company property. This disclaimer applies irrespective of the cause.

Big FURY is Whitsunday's biggest and most powerful rafting style boat.

Winner up in the "Best Job in the World" competition, Amy Chih says... "I'm one lucky duck! I got to spend the whole day snorkelling, soaking up the sun at Whitehaven Beach, and touring the Whitsunday Islands on The Big Fury." Tourism Whitsunday says... "There is only one boat that I can think of that doesn't have onboard toilet facilities, so it's definitely a benefit that Fury does have onboard facilities!"

DON'T DO WITHOUT!!

Suitable for any private function

WHY IS BIG FURY THE ULTIMATE SIGHTSEEING CRUISE & A FUN-TASTIC BOAT!

See the highlights of the Whitsunday Islands in One Full Day:

Visit Whitehaven Beach - renowned as one of the top 10 beaches in the World!

See close up the famous swirling sands of Hill Inlet on our way to Whitehaven Beach.

Snorkel at a superb island reef site (location varies depending on weather & tide).

Yum Yum!!

- You will see MUCH, MUCH, MUCH more! Fury is a comfortable open-air sports boat specifically designed for sightseeing in the Whitsunday Islands.
- You will love the 180 degree's of uninterrupted views! (No driver's cabin, curtains or tinted windows blocking your view like on most boats).
- Fury is one of the only boats that provides an entertaining running commentary throughout the day. Why? Because you will actually be able to see all around you all the time! See over 25 islands, 100 beaches, turtles, whales, birds, fish life, island resorts and pass many boats all along the way.
- Fury's shallow draft means that it can travel very close to the islands for birds eye views and we can drop you off right on the beach!
- Fury's open-air sports design and speed ensures nature's own fresh air, straight from the Pacific Ocean, pure clean air! No recycled air-conditioning and no diesel fumes!
- Fury carries a maximum of 35 guests (designed for 45). Fury is suitable for all ages, including the young & the young at heart!
- A happy crew. The crew's expertise, experience & good humour ensures you will be smiling from morning til night!
